Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Sunday 31 Jan 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry north and east, rain, hill snow elsewhere.

Today:
The north and east will be mainly dry and perhaps quite bright at times but generally on the cloudy side, Thicker cloud will affect Armagh, Tyrone and Fermanagh, with some mainly light rain, sleet and high ground snow. Cold, breezy. Maximum temperature 4 deg C (39 deg F).

Tonight:
Staying cloudy and breezy, with further rain and sleet in the south and west, with snow on higher ground, setting on hills. Antrim staying mainly dry. Minimum temperature 1 deg C (34 deg F).

Monday:
Staying cloudy with further rain at times. Snow becoming increasingly confined to the higher hills of Antrim. Maximum temperature 5 deg C (41 deg F).

Outlook for Tuesday to Thursday:
Unsettled with spells of rain, some heavy, and occasionally cold enough for some snow on higher ground. Occasionally strong southeasterly winds.
